

# HUMAN RESOURCE OUTSOURCING SOLUTION FOR AUTO DEALERSHIPS

OUR HR OUTSOURCING SOLUTION FOR AUTOMOBILE DEALERSHIPS CONSISTS OF A COMPREHENSIVE SERVICE OFFERING WHICH INCLUDES PAYROLL PROCESSING, BENEFITS ADMINISTRATION, HUMAN RESOURCES MANAGEMENT, AND WEB BASED HRMS AND COMPANY INTRANET TOOLS.

To help with the challenges of a poor economy, GenusHR has reduced prices by more than 30% on all services extended to the automobile industry. Furthermore, we are offering every Auto Dealership a flat rate regardless of their size. Whether you're a 10 man operation or a 10 locations Dealership, our offering will have an immediate impact your bottom line.

Our solution doesn't merely meet the challenges of a poor economy with reduced pricing, but satisfies the many unique Human Resource demands of the Auto Dealership Industry. As a leading HR and Payroll Outsourcing service provider to the Automobile Dealership Industry, we understand that your business has two main focuses. Your Sales and Service departments both drive in revenues. Yet, they have very different payroll, benefit, and Human Resource needs. Below are just a few of the many ways our HR Outsourcing services can help your Dealership.

## Featured Solutions for the Auto Dealership Industry

- Flexible payroll architecture allows you to compensate closed sales immediately.
- Process payroll with checks printed at your location.
- Employees and Managers can view detailed commission statements online.
- Payroll Deductions in Arrears prevents money lost on benefits.
- Powerful HRMS tools automate time consuming HR tasks.
- Safety and Ethics Standards will reduce workplace incidents and claims.
- GenusHR's Competitive Benefits Packages will recruit and retain quality personnel.
- Employee discount and incentive programs for travel, insurance, entertainment and more.

## WEB BASED HRMS AND COMPANY INTRANET PORTAL

---

GenusHR's powerful Web based HRMS tools will reduce costly redundant administration, increase accountability and forge productive team collaboration. The expertise of our Risk Specialist will institute Safety & Ethic Standards that will reduce workplace incidents and claims that ultimately result in higher business insurance premiums.

## YOUR HR TEAM OF SPECIALISTS

---

Every client is assigned an HR Team of professions which include a Payroll Technician, HR Specialist and Benefits Manager. Our Human Resource Specialist will dispute and appeal false unemployment insurance claims that result in increased payroll taxes. We will monitor and maintain your HR Handbooks and Policies with the ever changing compliance rules and regulations.

Our Benefits Team will administer and provide employee enrollment and support to a competitive benefits package that will help you recruit and retain quality personnel.

In the end, it's easy to see that skillfully managed Human Resources package in an HR Outsourcing Solution can lead to a productive, motivated and compliant Auto Dealership.
